Leadership, engagement & involvement

A culturally competent HealthWatch for Nottingham

Special Guest: Patrick Vernon

Chief Executive of the Afiya Trust and Chair of the national HealthWatch Advisory Group for the Department of Health.

Tuesday 22nd May 2012
10am to 2pm (including networking lunch)
Antenna Media Centre, Beck Street,Nottingham NG1 1EQ

Aim

To explore how Nottingham's model for HealthWatch can reflect the needs of BME and low income communities.

Objectives

- To provide a national update on HealthWatch
- To detail the responsibilities and remit of HealthWatch
- To define the roles of local people and groups in relation to leading on HealthWatch
- To put forward recommendations for the new model for HealthWatch Services in Nottingham

Spaces are limited and this event is strictly for the community and voluntary sector.
This is a booking only event and further details will be provided upon booking.
